EPDOG Guidelines and Membership Agreement

Thank you for helping keep Elings Park safe, welcoming and enjoyable for everyone.

Enjoying the park together

• Stop at the Main Gate Kiosk to show your current EPDOG badge or lanyard when entering by vehicle. Carry it during your visit and present it when requested. Each dog must wear its current EPDOG tag.

• Keep dogs under control on or off leash and carry one leash per dog. Dogs must always remain within their handler's direct line of sight.

• Dogs must not chase vehicles.

• Softball Fields 2 and 3 are always dog-free. Dogs may use Field 1 only when it is not in use and is open for dog access. Respect event reservations, wet-field closures and maintenance closures; leave athletic fields when activities begin.

• Pick up after your dogs, prevent digging or damage, and keep dogs clear of picnic areas, playgrounds and maintenance crews. Follow staff directions, posted park rules and animal-control requirements. Elings Park is smoke-free.

• Dogs that bite people or other dogs cannot participate. Provide a current City or County license number and expiration for each dog. Disclose any Animal Control restrictive order at signup or if issued later.

Courtesy and safety concerns

Treat others with courtesy. Threats, abuse, profanity, obscene gestures, property damage and unsafe behavior are not acceptable. If an incident occurs, leash and separate dogs, notify staff, and report bites or attacks to the appropriate authorities. Call 911 for an immediate emergency. Report legal disputes or assaults to the proper authorities and share official reports with the office; staff cannot mediate private disputes.

Management reviews reported concerns and may warn, require a behavioral acknowledgement, suspend or revoke privileges, or require removal. A first confirmed minor or aggressive incident may lead to a warning; a second within 24 months may lead to suspension or revocation review. Serious incidents, violence, threats, false information or refusal to follow directions may require immediate action. During suspension, affected dogs may not be off leash and park access may be restricted. Written notices explain restrictions and return conditions. Appeals may be submitted in writing within 10 business days to the Director of Operations or designee. Restrictions remain during review unless changed in writing; the appeal decision is final.

Release of liability and assumption of risk

I am an applicant for and participant in the Elings Park Dog Owners Group (EPDOG) membership program. I understand that participation and use of the park involve risks, including risks of injury, death, and damage to property or pets.

In consideration of being allowed to participate in the program, I voluntarily assume the risks of accidents, personal injury, death, and property damage, including harm to my pets, relating to Elings Park or the EPDOG program, including interactions with animals.

By signing this waiver, I release and forever discharge the Elings Park Foundation, its directors, employees, and representatives from liability, claims, actions, and causes of action that may accrue to me or my heirs from loss, damage, or injury, including death, sustained by me or my property, including pets, while in or at the program or traveling into or away from it, to the extent permitted by law.

I confirm that the information I provide in my membership application is true and correct. I have read, understand, and agree to the membership rules, member conduct requirements, and this liability waiver.

Acknowledgement and signature

[ ] I have read, understand and agree to the membership terms, park guidelines, conduct requirements and liability waiver. I accept responsibility for supervising my dogs and informing anyone who walks them of these requirements.

[ ] For online signing: I consent to sign electronically. By entering my full legal name and submitting this application, I intend to sign this waiver and membership agreement.
